**ANNUAL 47 C.F.R. § 64.2009(e) CPNI COMPLIANCE STATEMENT
OF
CASTLEBERRY TELEPHONE COMPANY, INC.**

EB Docket No. 06-36

In compliance with the annual certification required under 47 C.F.R. § 64.2009(e), the undersigned officer of Castleberry Telephone Company, Inc. (hereinafter "Castleberry") files the following statement of compliance with the requirements set forth in 47 C.F.R. § 64.2001, *et seq.* on behalf of Castleberry:

1. I have personal knowledge that Castleberry has implemented a system by which the status of a customer's Customer Proprietary Network Information ("CPNI") approval can be clearly established prior to the use of CPNI.
2. I have personal knowledge that Castleberry obtains written approval for the use of its customers' CPNI and that Castleberry has notified its customers of their right to restrict Castleberry's use of, disclosure of and access to their CPNI prior to obtaining such written approval.
3. I have personal knowledge that Castleberry has designated a CPNI Compliance Officer, who is responsible for supervising the use, disclosure, distribution or access to its customers' CPNI, that Castleberry has trained its personnel who may use, disclose or have access to CPNI as to when such personnel are and are not authorized to use CPNI in accordance with the requirements of 47 C.F.R. § 64.2001, *et seq.* and that Castleberry has an express disciplinary process in place to deal with breaches of CPNI.
4. I have personal knowledge that Castleberry implemented procedures to safeguard the disclosure of its customers' CPNI, including a customer password and backup authentication system, notification of customer account changes and notification of security breaches of customer CPNI to law enforcement agencies.
5. I have personal knowledge that Castleberry maintains records of its own and its affiliates' sales and marketing campaigns that use customer CPNI and further maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to customer CPNI. The record includes a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign. Castleberry retains all such records for a minimum period of one (1) year.

6. I have personal knowledge that Castleberry has established a supervisory review process regarding Castleberry's compliance with the Federal Communications Commission's rules for outbound marketing situations and that the complaint maintains records of such compliance for a minimum period of one (1) year. Castleberry's sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval regarding its CPNI, and a process ensures that opt-out elections are recorded and followed.

7. I have personal knowledge that Castleberry has not received any information with regard to the processes pretexters are using to attempt to access CPNI.

On behalf of Castleberry Telephone Company, Inc., I represent and warrant that the above certification is consistent with 47 CFR § 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject Castleberry to enforcement action.
